

# SALT LAKE COUNTY COMMUNITY EXCHANGE PEOPLE'S UPDATE

## NEIGHBORS *Helping* NEIGHBORS

The summer has been busy so far, but y'all have been even busier! Here are a couple of the great ideas y'all have had to help create a better system of community care in Salt Lake County:

WE LOVE GETTING TO KNOW YOU!

**Signal chat channel** for sharing logistic details and planning notes for community events. This channel is for sharing strategies to engage community further and give more members a voice in how the time exchange is running. *If you are interested in joining the chat, email us or join our next community meeting!*

**Monthly member spotlights!** We'll start highlighting some of the great members in our community and the skills they share to help build trust and rapport between neighbors.

Everyone has a skill to share! Timebanking is about connecting those skills to people in your community that need support. Timebanking is about building community trust and relying on each other instead of public systems.

## CELEBRATING COMMUNITY SKILL EXCHANGE!

We are so excited to hear about community members getting together and exchanging their skills for time this month. In this spotlight: one member needed headshots for her business and another member had the photography skills to help!

They met up, exchanged skills and Time Dollars, and shared their experience with us. How else has community shown up for each other this month? We'd love to hear about it!

## WHAT'S COMING UP AROUND THE CORNER?

**JULY 13th: Swap Meet & Greet 10am - 1pm at Fairmont Park.** Bring items you no longer need to swap for FREE for other new-to-you items! Meet other community members and get help creating your Time and Talents time bank account if you haven't already done so.

**AUGUST: Potluck and Produce Swap TBD**  
Join us in sharing food and swapping extra produce from our gardens or kitchens. We'll be getting to know each other better and building stronger community solidarity!

**SEPTEMBER: Quarterly Community Meeting TBD**  
Join us in talking through details for the next couple month's of events and community connection.
